MULL'S MAGICAL WEST COAST**

# EXPLORE INCH KENNETH

Take a short cruise with us to visit the historically important island of Inch Kenneth. Burial place of Kings.

On arrival we take you ashore by small boat, so some agility is required. There you are free to explore the Islands natural beauty, sandy beaches and 13th Century church and burial ground.

With approximately two hours ashore you can enjoy stunning views of Mull and Ulva, and relax amid the peace and tranquility of this rarely visited island. A must for wildflower and nature lovers!

**Trips run Tuesday afternoon subject to minimum numbers.**

# SEA EAGLE ADVENTURE

*So fantastic you'll want to come back again and again!*

Nothing prepares you for your first awesome views of these magnificent birds swooping down to take our fish from the surface of the sea. A truly amazing chance to see and photograph sea eagles, up close, doing what comes naturally to them in stunning surroundings.

## SIMPLY BREATHTAKING!

Each trip is unique, and if time allows, we visit seal colonies and areas where peregrine and golden eagles frequent.

**Trips daily, book early to avoid disappointment.**

# SEA ANGLING

From a 3 hour trip for the family to catch mackerel, to a whole day or longer for serious fishermen, we can provide a memorable angling experience.

The unpolluted waters around Mull can provide prolific fishing with pollock, coal fish and mackerel the main targets in summer time. Although cod, ling, wrasse, conger and tope can also be caught.

Many marks are yet to be discovered, and we are continually finding new grounds.

**Good quality tackle is available onboard with free use of rod and reel.**

**Trips run on demand with small groups / individuals on Thursday afternoons. Day Charter prices on request.**
